

The Apistogramma Study Group

"The ASG exists to increase our interest in, and awareness of, dwarf cichlids by providing the means for the dissemination of knowledge. The ASG believes that by communicating and sharing our experiences of dwarf cichlids we can better understand, appreciate, conserve and care for these wonderful creatures."

What is the ASG?

The **Apistogramma Study Group** is a new international nonprofit organization dedicated to the needs and aspirations of all people interested in Dwarf Cichlids. The benefits of membership are great:

The benefits of becoming a member of the Apistogramma Study Group

- Receive the latest information on new species
- Quarterly newsletter the "Apisto-Gram"
- Membership list of fellow dwarf cichlid hobbyists from around the world
- Participate in our trading forum the "Apisto-Emporium" to advertise, sell, trade or locate rare and unusual Apisto's, other dwarf cichlid, and related materials.
- Exchange ideas and learn new ways to keep in breed these exciting and colorful dwarfs!
